Take the Los Angeles St. offramp on south 101 Hollywood freeway. Cross over Temple Hill and continue for around 500 feet and prepare to turn right into the parking area.

Or take Temple Hill down to Los Angeles St and turn right. Go about 500 feet and prepare to turn right into the parking area.

Turn right into this parking area and present your photo ID to the person in the guard shack.

Now, drive down to P-2 and follow the signs to the Visitor Parking. As you pass an empty guard shack on the left, drop off any passengers that may be limited in physical capacity. Park, and walk back to meet them at that guard shack. The elevator is just beyond that guard shack.

Go to floor 3 and head toward to bridge to City Hall. Be prepared to leave your belongings on the table for examination. When invited, walk through the sensor. Give the guard your photo id while you gather your belongings. The guard will give you a sticky badge to wear while at City Hall.

Cross over the bridge and continue past the elevators into the rotunda. Go a few feet further and to the left into the City Hall Chambers.
